Energy saving and environmental protection as standard

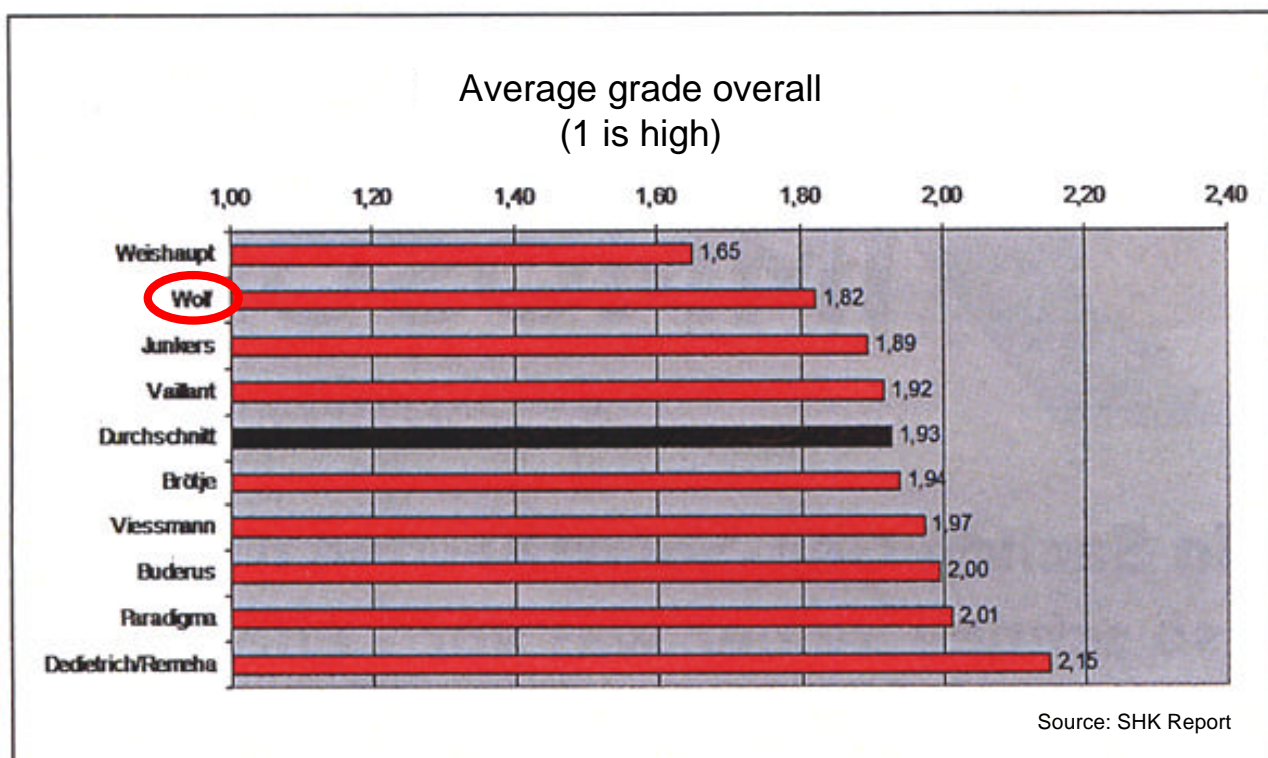

Important online news in brief for Wolf trade partners and friends

Installer survey in "SHK Report" magazine: Thank you for your support!

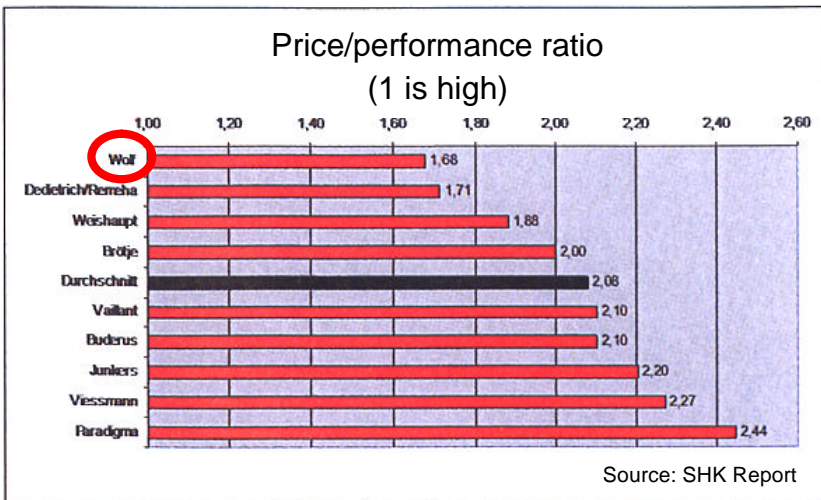

In a representative survey of HEVAC installers carried out by trade magazine "SHK Report" (4/2010), manufacturers of condensing boilers were put to the test - with an **excellent result for Wolf**.

In the overall assessment, Wolf took an impressive 2nd place:

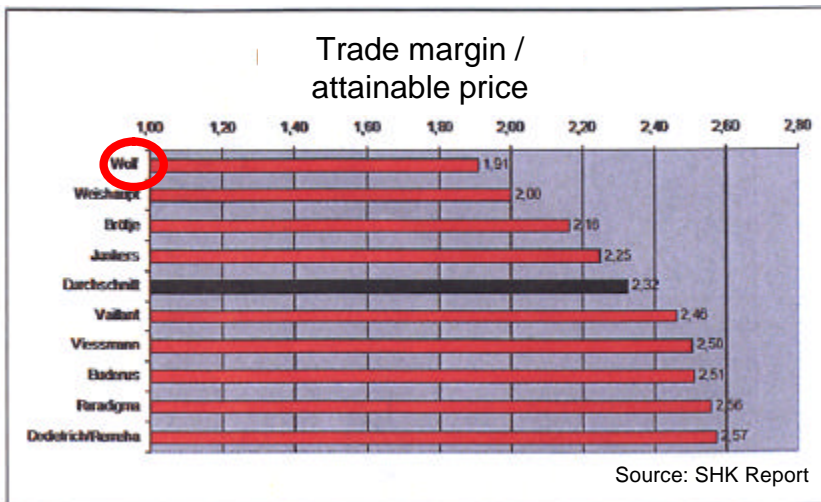

Energy saving and environmental protection as standard

Wolf scored highly in the areas of "product quality" and "field service support".

In the important categories of "price/performance ratio" and "trade margin", Wolf even secured the top spot.

Yet more proof that Wolf can help you succeed!

We would like to take this opportunity to thank you for your support and we look forward to continuing to work together with you to achieve a mutually successful future!

Ask your Wolf sales consultant who will be happy to offer you professional advice regarding our broad product range.
